ABOUT PROPERTY TAX COLLECTION

Tax rates are set. Taxing authorities set the millage rate, which is the rate of tax per \$1,000 of taxable value. Non-Ad Valorem assessments are levied on a unit basis rather than the value of property.

Property values are determined. The Property Appraiser establishes the value of property, approves exemptions, including Homestead, and certifies the Tax Roll to the Tax Collector.

Taxes are collected. The Tax Collector is then responsible for mailing tax bills, collecting taxes and distributing revenue to the taxing authorities in Orange County.
